

High School Classes of 2023 and 2024

Sailing Trip – June 26-29, 2023 (Mon.-Thurs.)

Cost \$325 - *Members can invite one friend.*

As you prepare to leave your harbor and set sail into your life ahead, you are invited to climb aboard and learn how to navigate the winds(spirit) of life.

Here's the details...

Depart: Monday, 9:15 AM from St. Luke's.

Harbor: Superior Charters, Bayfield, WI
*Skipper is Pastor Rob Norris-Weber with First Mate Julie Schroeder.
Between the two of them they have over 30 years of experience navigating the Apostle Islands.*

Monday – Preparing for the Adventure

9:15 AM - Gather at St. Luke's Lutheran Church

We will travel to Bayfield, stopping to enjoy our bag lunches on the way. We will plan our meals for on board, shop for our supplies, enjoy dinner in Bayfield (on your own) and then load the boat. We will stop at the National Forest Office in Bayfield for an orientation.

Tuesday and Wednesday – Setting Sail and going where the winds take us...

We will go out into the Apostle Islands, listening to the weather reports so we can anchor safely the next two nights. Everyone will learn how to sail, taking the helm and tending the lines. We will explore the islands including the sea caves, light houses, and hike. Morning Bible Study and evening devotion will center us for our days on the water and the year beyond high school.

Thursday – Head back to the Harbor and Return Home.

We will return to the harbor by 3 PM and head home by 5 PM, stopping for dinner along the way (on your own). We will drop students off at their homes around 10 PM.

Packing List and more details on back...
